1. Welcome: The Cedar High Community Council convened in the large conference room at 3:05 p.m. Jana Bishop (co-chair) called the meeting to order and welcomed members.

2. Action Items: Minutes from the December 3, 2014 council meeting were reviewed and a motion was made by Ann Powell to approve and finalize. Seconded by council members Dean O'Driscoll and Stacey Cooper. Motion was carried and passed unanimously.

3. Budget Review/School Report: Continuation of agenda items from previous meeting held on 12-3-14. Principal Dodds presented a school report on the following items and opened discussion on whether or not they should be included in next year's budget considerations:

- a) PLC's: Teacher collaboration and curriculum planning –vs- student achievement. It was determined that both are being met and would continue to be priorities.
- b) Learning Center: Late Start participation/attendance. Possible solutions are ACT Prep Class and class make-up tests given at the center.
- c) Native American Aide: Possibility of other ethnicities being considered if there is a need.
- d) Independent Study/Study Skills Class: Successful, but would like to see growth improvement, more students attending, increasing graduation percentages.
- e) Letters Home/MTSS Stipend: Notification –vs- Intervention. Council determined the need is still there, but more data regarding proctors expectations and successes would be helpful in determining whether or not the information maybe being duplicated by teachers. Could the need be filled and better monitored by CCR Coaches.
- f) Sold Preps: Study Skills Class for struggling students. Council determined need is still there.

4. Items for Discussion: It was determined that further data and discussion is needed regarding the stipend for MTSS proctor, and whether or not letters home should be handled through the stipend or by CCR coaches. Principal Dodds will present data at the following council meeting.
