4. **Informational Presentations:**
 - a) DECA/FBLA Clubs presented information regarding new services offered at the CHS Learning Center which is funded through our Trustlands Budget. These two clubs determined a need for additional tutoring through the center. Members from the clubs volunteer their time tutoring fellow students in the following areas; Business, Physics, Calculus, English, Science, History, Chemistry & Biology. This has been a huge success with more students getting involved daily. Clubs have been responsible for advertizing as well.
 - b) Native American Aide, which is also funded by our Trustlands Budget shared his role and responsibility along with successes and areas of improvement with the approximately 44 Native American students at Cedar High.
